

## FAQs for Vidhi.ai

### General Questions

**Q1: What is Vidhi.ai?**

**A:** Vidhi.ai is an AI-powered legal assistant based on GPT-4 and GrocLake's ModelLake. It provides accurate, up-to-date answers on Indian laws, including the latest reforms like BNS (Bharatiya Nyay Sanhita), BNSS (Bharatiya Nagarik Suraksha Sanhita), and BSA (Bharatiya Sakshya Adhiniyam), along with the Constitution of India.

**Q2: Who can benefit from Vidhi.ai?**

**A:** Vidhi.ai is designed for legal professionals, students, researchers, and anyone seeking accurate information about Indian laws.

**Q3: What makes Vidhi.ai unique?**

**A:** Vidhi.ai integrates Retrieval-Augmented Generation (RAG) for precise answers, supports real-time web search for updated legal information, and offers features like chatting with uploaded legal PDFs for personalized assistance.

---

### Features and Functionality

**Q4: How does the chat feature work?**

**A:** The agent lets users ask legal questions and receive concise, accurate answers. It is optimized for clarity while adhering to token limits, ensuring essential details are included in the responses.

**Q5: What is the "Chat with Your Legal PDF" feature?**

**A:** This feature allows users to upload lightweight PDF documents and chat with the content. The system automatically generates a summary of the document, helping users understand complex legal texts easily.

**Q6: What kind of documents can I upload?**

**A:** Users can upload lightweight legal PDFs like contracts, case files, or notices. Due to GPT-4's token limitations, smaller documents are recommended for optimal performance.

**Q7: What is the search engine feature?**

**A:** Vidhi.ai offers a distraction-free search engine powered by Google's Programmable Search Engine to find trusted law-related articles and resources.

---

### Technical and Performance

**Q8: Why are response times delayed?**

**A:** Vidhi.ai is deployed on Hugging Face Spaces using CPU services. This setup may cause an average response time of **10 seconds** per query. We appreciate your patience.

**Q9: Are the answers always accurate?**

**A:** While Vidhi.ai strives to provide accurate and up-to-date answers, it may occasionally make mistakes. Users are advised to consult a professional lawyer for critical legal matters.

**Q10: Can Vidhi.ai process large datasets or lengthy PDFs?**

**A:** Due to computational and token limits of GPT-4, Vidhi.ai works best with lightweight files and concise queries.

---

**Legal Disclaimer****Q11: Can I rely solely on Vidhi.ai for legal advice?**

**A:** No. Vidhi.ai is an informational tool designed to assist users in understanding Indian laws. Always consult a professional lawyer for critical or sensitive legal matters.

---

**Prompt Guidance****Q12: What type of prompts can I give to Vidhi.ai?**

**A:** Vidhi.ai works best when provided with clear and structured prompts. For example:

- Instead of: *"Tell me about divorce laws,"*  
Try: *"What are the provisions for divorce under the BNSS for mutual consent between spouses?"*
- Instead of: *"What is evidence?"*  
Try: *"What are the key points under BSA regarding the admissibility of electronic evidence in court?"*

**Q13: Can I ask general questions?**

**A:** Yes, Vidhi.ai welcomes any prompt, but for the best results, provide detailed and specific situations to ensure concise and accurate answers.

---

**Getting Started****Q14: How do I access the features of Vidhi.ai?**

**A:** Use the navigation bar to explore:

- **Home:** Overview of Vidhi.ai.
- **Documentation:** Access detailed guides, FAQs, and tutorials.

- **Datasets:** View legal documents like BNS, BNSS, BSA, and COI, along with the search engine.

**Q15: Is there any user guide available?**

**A:** Yes, the Documentation section includes guides, FAQs, and video tutorials on how to use Vidhi.ai efficiently.

---

**Support and Feedback**

**Q16: How can I provide feedback or report an issue?**

**A:** Visit the Contact Us section on the homepage to submit your queries or feedback via the provided form.

**Q17: Is there any way to contribute to the project?**

**A:** Currently, Vidhi.ai does not accept external contributions, but feedback and suggestions are always welcome to improve the platform.
